SILENT MARCH

Sunday June 17, 1 pm • 110 St. & Frederick Douglass Blvd., Harlem, NY

New York is coming together on Sunday, June 17 to build a massive Silent March Against Racial Profiling and Stop & Frisk.
Black and Latino youth are the main targets of police Stop & Frisk tactics.
They have been asking why others are not standing with them against this injustice.

It is about time that we stand together to connect the war at home and the wars abroad.

Let's stand together as we march For honor, respect and the due process

Our cause is the same. Let's work together. Gather at 110th St & Frederick Douglass Blvd. Harlem, NY
